

Diba Aliaf Aryan Company

Diba Aliaf Aryan affiliated to Dipolymer Holding is the first manufacturer of hollow staple polyester fiber in Iran since 2005. The company is well equipped with modern machinery to ensure high quality products. Experienced staff, quality control laboratory and precise QC, short lead-time and price stability made Diba Aliaf a reliable supplier for local and foreign customers. The products of Diba Aliaf are widely used in different sectors like:

- Spinning: Garments, Interior.
- Nonwoven: Spunlace, Needle Punch, Padding, Felt, Mattress.
- Stuffing: Pillow, Cushion Industries.

Diba Aliaf Aryan offers Virgin, Recycled and Combined Polyester Staple Fiber as below:
